| W4-W1, Trainee | Employees below Assistant Officer/ Workmen Trainee | Upto 250* (subject to exception approval from Business Head/ Function Head with valid business requirement) | NA |

## 7. Important Guidelines

### 7.1 General

a) All tour advances should be raised through the online expense management system minimum 3 days in advance.

b) Employees who draw Tour Advance and subsequently cancels the tour should inform Finance on the same day or next working day so that the advance amount can be withdrawn from the wallet.

| Policy Name | Date of Issue | Recommended By | Approved By |
|---|---|---|---|
| Domestic Travel Policy- Non - Sales Function | 01.11.2017 | AVP HR | CEO |

c) Employees should submit their tour expenses statement within seven days of their return from their tour.
d) Approval of the next tour advance shall be done only post settlement of the previous tour advance.
e) Advance not settled within 60 days after the date it was taken shall be adjusted from salary without reference. Amount will be refunded to the employee on production of original bills duly approved by Business Head// Function Head / CEO.
f) Expenses towards local conveyance, telephone and miscellaneous expenses shall be kept at minimum. Reporting Managers shall examine each expense in detail before approving the same.
g) Cancellation charge will be borne by the Company only if the cancellation is for official reasons and is approved by employee's Reporting Manager. Cancelled Ticket has to be attached.
h) No break journey is allowed to an employee unless the employee has to perform an official work at the intervening station. In case an employee plans to break the journey on way to the destination or on return journey, details regarding break of journey and halt at intervening station needs to be mentioned specifically in the tour program and expense statement; otherwise claim for boarding, lodging and conveyance for that period will not be admissible.
i) Reimbursement on travel shall be made strictly as per the entitled class. In case of exceptional circumstances where an employee is not able to travel by the entitled class, then with the prior approval of Business Head/ Function Head, he can travel by next higher class in the same travel mode. For upgrading to flight travel, permission of CEO would be essential.
j) All the eligibilities are inclusive of Taxes, if any.
k) All T.A. Bills have to be submitted for approval through online expense management system and approved by the Reporting Manager. The Bills will be verified by Finance team subsequently and if any error is found the same will be adjusted in next bill or payable by employee as the case may be. All exceptions bills need to be marked separately with reason before submitting online for approval.
l) The Reporting Managers must escalate all exceptions to next level.
m) The Travel policy is for internal circulation only. Any act of circulation out of Company without approval from CEO shall be liable for appropriate disciplinary action.
n) No part of this policy shall be read and produced in parts/ abridged version.
o) Authenticity of bills submitted is onus of employee.

## 7.2 Lodging

a) At all locations, where the Company Guest House is in operation, employees are expected to stay in the Guest House. Stay at hotel in such location(s) should be undertaken in case guesthouse is fully booked.
b) Laundry and dry cleaning expenses are reimbursable for a continuous hotel stay of more than five days.
c) Daily expenses include expenses incurred towards laundry, tips, porterage and other petty expenses. Under no circumstances, cost of liquor, tobacco, private trunk / STD calls or any

expense of personal nature shall be reimbursed. Supporting of Daily Expense is mandatory if the amount exceeds ₹ 300.

d) In case two or more employees travelling together decide to share lodging, their eligibility would be as follows.
   i. The senior most employees' permissibility plus another 50% in case where two employees are travelling, and
   ii. The senior most employees' permissibility plus another 80% where three employees are travelling.

e) The ceiling limits of accommodation charges should be strictly adhered to.

7.3 **Food and Entertainment**

a) The Company will reimburse for the actual cost of entertainment for customers, guests and suppliers when it is for the benefit of the Company, a valid business purpose exists and it reflects. The cost of such entertainment for customers, guests and suppliers should not exceed ₹ 750 per person (including taxes). Any expense beyond this limit shall require prior approval from the CEO. All such expenses need to be claimed through online system with a statement of the business purpose and the names of attendees. Entertainment of travellers without a valid business purpose & without statement shall not be reimbursed, even if approved in system.

The Company will reimburse for the actual cost of food expenses made during business meetings and the cost of the same including taxes should not exceed ₹ 750 per person. Any expense beyond this limit shall require prior approval from the CEO/ Director. All such expenses need to be claimed through online system with a copy of the approval also stating the business purpose, the names and affiliation of those attended.

7.4 **Travel**

a) Employees are required to travel via shortest - economical route and also by the most usual means of transport.

b) Normally, no break journey is allowed to the employees unless he has to perform an official work at the intervening station. In case the employee plans to break the journey on way to the destination or on return journey, details regarding break of journey and halt at intervening station shall be mentioned specifically in the tour program and description of expenses in online expense management system; otherwise no claim for boarding, lodging and conveyance for that period will be admissible.

c) Departure time on starting day and Arrival time of back to H.Q. must be mentioned in the travel expense statement for all employees; if time is not mentioned then allowance of that day will be disallowed.

d) Manager, Deputy Manager and Assistant Manager should avail flight only if travel time is more than 12 hours. Irrespective of eligibility, other employees who are entitled for flight should try to travel by train in all overnight journeys less than 12 hours.

e) Air tickets must be booked through Corporate Admin only. Travel Reimbursement claim should be supported by counter foil jacket/ e-ticket print-out copy and boarding pass.

f) For reimbursement of Rail tickets, claim should be supported by original ticket. In case there are two employees travelling together, then one of them will claim his share with the original ticket and other one will claim his share and attach photocopy mentioning the name of the employee who has submitted the original. Any amount pertaining to the agent's fees must be supported by receipt/bill. In case of miscellaneous expenses incurred for reservation, the same should be mentioned on the ticket itself.

g) The employees should use the official vehicles in the Units/ Branch by giving advance information to the Unit HR /Branch Head for the purpose of journeys. Pick up and drop to Airport/Rail /Bus Stations in same city can be booked through radio cabs or through Unit HR/ Branch team.

h) Where more than one employee is deputed for the same job/destination, they are required to travel together.

i) For reimbursement of conveyance, the employee must submit full details i.e. date, from, to point and conveyance paid for every trip. In case of expenses below ₹ 300 if bills are not available, employees can submit claims without bills as an exception. This should not to be treated as an allowance and only actual expense incurred should be claimed.

j) Employees using personal car for official purpose can claim expense of reimbursement. A self-declared day-wise summary (log sheet) with the details of places travelled, distance in km travelled and the purpose of visit need to be attached for claiming such reimbursements. In absence of this log sheet, the reimbursement will not be made. Any expenses arising out of maintenance / breakdown/ accident shall not be liability of Company in this case. In case the car usage is more than 500 km per month, approval from Business Head/ Function Head shall be required on log sheet before online submission.

k) Irrespective of eligibilities, employees are encouraged to use Radio cabs/ Taxi for point-to-point travel instead of hiring cars. Hiring Cars for full day shall require approval from Function Head on e-mail, a copy of which must be attached during online submission of claim for reimbursement.

l) Employees using two wheelers/ cars must take safety precautions like using helmets / wearing seat belts.

m) Mobile Phones should not be used while driving

n) Intercity travel by personal two wheeler/ car must be avoided during night.
